I, Dorothy Foree, upon leaving this dearly beloved (?) school, sniff, sniff, would like to leave some of my treasures to the unfortunates who I'll leave behind.

To Linda, I leave some of my flirting ability because I'll need most of it in H. H. S.

Darlene, you can have my desk, paper, pencils and that school junk.

I'll leave the phone, and mail to Karen, when I'm not at home.

I'll need the rest of what I do have to take with me to the H. H. S.

Upon leaving this dearly loved school, I, Dick Morris, would like to leave some of my treasures to the unfortunate students who still have to go to school in Joseph City.

To LaVarre, I leave my basketball suit in hopes he can ust it. To Stuart, I leave my ability to copy answers. I leave the teachers to David and Arthur in hopes they can get along together.

I hope all of these people will use these gifts to the best of their ability.

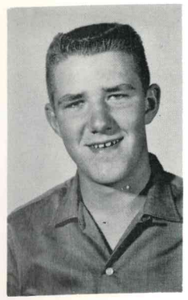
Last Will and Testament

I, Loran Wimmer, express much regret upon reaching the time of departure from this dear Alma Mater. Therefore, as I take leave, I would like to bequeath the following to the poor souls who stay behind.

To Arthur I leave my slim height so that he can win all the basketball games, and all the girls. To Marva I leave my ability to bum right answers, although she seems pretty good already. To all the rest I leave my sympathy that they must stay behind and suffer another year.

I, Jeff Richards, upon leaving this fine school, wish to leave a few things behind to the following classmates.

First of all, I would like to leave my ability to be on good terms with the teachers to Stuart, (Ha, Ha!). Now, to LaVarre, I would like to leave my unfinished Algrebra problems. To, Kathy, I would like to leave some of my pencils and desk. Hope she can make use of it and remember me by.



I, Dennis Hunt, being of sound mind and strong body, wish to leave some of my treasures to the poor unfortunates who remain here.

I leave my back row seat to Stuart. I'm sure he will use it to the best advantage. To LaVarre, I leave my curly, brown hair. He'll be the only kid in town with two-tone hair. To anyone who feels slighted, I leave my memories.

I, Gloria Westover, leave !!!

I, Joe Richards, upon my departure from this institute of learning, leave some of my goodies to the poor souls who will remain here.

To Author, I leave my ability to get to school on time every day.

To Marva, I leave my ability to get along with the teachers, and get good grades. (?)

To Stuart, I leave my halo, I hope you will keep it in good shape.

Some to college... some to work

We hope you will find a way to college, for your life will be fuller and richer if you do. For those of you who must enter the business world now, let us recommend that you open a savings account immediately — however small — at the Valley Bank. As you progress in your business life, you'll need bank credit. And when a banker makes his first loan to young people, he is guided mainly by the banking record they have established in the past.
